HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

| Title | CSR | Division | Chapter | Rule |
|--------------|--------------------|-----------------|----------------|---------------|
| 3 | <i>Code of</i> | 10- | 4 | 115 |
| Department | <i>State</i> | Agency | General area | Specific area |
| | <i>Regulations</i> | division | regulated | regulated |

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

EXECUTIVE ORDER 25-17

WHEREAS, I have been advised by the State Emergency Management Agency that the ongoing and forecast severe winter storm systems have caused, or have the potential to cause, damages associated with heavy snow, sleet, freezing rain, ice, and extreme low temperatures, impacting communities throughout the State of Missouri; and

WHEREAS, the severe winter storm systems reaching Missouri on February 11, 2025, and continuing have created or have the potential to create a condition of distress and hazard to the safety, welfare, and property of the people of the State of Missouri beyond the capabilities of some local jurisdictions and other established agencies; and

WHEREAS, the resources of the State of Missouri are needed to assist affected jurisdictions and to help relieve the condition of distress and hazard to the safety and welfare of our fellow Missourians; and

WHEREAS, Missourians depend on residential heating fuel such as propane, natural gas, and heating oil to heat their homes, businesses, and other buildings during the winter months; and

WHEREAS, extreme cold temperatures compound demand for residential heating fuel, which must be transported on Missouri highways to ensure sufficient supply in the central United States; and

WHEREAS, this increased demand for residential heating fuel is anticipated to create significant delays for carriers in acquiring and transporting residential heating fuel in and across Missouri; and

WHEREAS, the State of Missouri must be proactive where the health and safety of its citizens are concerned; and

WHEREAS, a temporary suspension of current regulations on maximum driving times is still necessary to the safety and welfare of the citizens of the State of Missouri in order to ensure that operators of commercial motor carriers who are assisting in the aforementioned efforts within the State of Missouri can transport residential heating fuel in and across Missouri; and

WHEREAS, an invocation of the provisions of sections 44.100 and 44.110, RSMo, is required to ensure the safety and welfare of the people of Missouri and to activate the resources necessary to keep Missourians safe.

NOW, THEREFORE, I, MIKE KEHOE, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and the laws of the State of Missouri, including sections 44.100 and 44.110, RSMo, do hereby declare that a State of Emergency exists in the State of Missouri within the meaning of Title 49, Code of Federal Regulations Section 390.23 and direct the Missouri State Emergency Operations Plan activated.

I further order vehicles used in support of the transportation of residential heating fuels be exempt from the hours-of-service requirements in Title 49, Code of Federal Regulations, Parts 390 through 399, as incorporated in state law, including but not limited to Sections 307.400, 390.201, and 622.550, RSMo, and 11 CSR 30-6.010, for the duration of this Order.

This Order applies only to residential heating fuel such as propane, natural gas, and heating oil. No other petroleum products or other fuels are covered by the exemption and suspension under this Order.

Nothing in this Order shall be construed as an exemption from applicable controlled substances and alcohol use and testing requirements in 49 C.F.R. Part 382, the commercial driver's license requirements in 49 C.F.R. Part 383, the financial responsibility requirements in 49 C.F.R. Part 387, applicable size and weight requirements, or any portion of Federal and State regulations not specifically identified.

Additionally, nothing in this Order shall require or allow an ill or fatigued driver to operate a commercial motor vehicle as described in 49 C.F.R. § 390.23(b). Motor carriers or drivers currently subject to an out-of-service order are not eligible for the exemption and suspension until the out-of-service order expires or the conditions for rescission have been satisfied.

I further order, pursuant to sections 41.480 and 41.690, RSMo, the Adjutant General of the State of Missouri, or his designee, to forthwith call and order into active service such portions of the organized militia as he deems necessary to aid the executive officials of Missouri, to protect life and property,

and it is further directed that the Adjutant General or his designee, and through him, the commanding officer of any unit or other organization of such organized militia so called into active service take such action and employ such equipment as may be necessary in support of civilian authorities, and provide such assistance as may be authorized and directed by the Governor of this State.

I further authorize state agencies to provide assistance as needed.

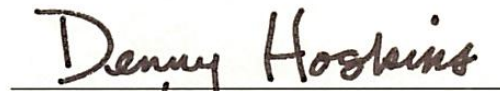

This Order shall terminate on March 10, 2025, unless extended in whole or in part.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 10th day of February, 2025.

ATTEST:

DENNY HOSKINS
SECRETARY OF STATE

The text of proposed rules and changes will appear under this heading. A notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This explanation is set out in the PURPOSE section of each rule. A citation of the legal authority to make rules is also required, and appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules that are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close-of-comments date will be used as the beginning day in the ninety- (90-) day count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice, file a new notice of proposed rulemaking, and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

(A) Material change in ownership or control – Any transfer or issuance of ownership interest in a Retail or Mobile licensee or other contract or arrangement resulting in a person or group of persons acting in concert, directly or indirectly –

1. Owning, controlling, or having power to vote twenty-five percent (25%) or more of the voting ownership interest in the Retail or Mobile licensee, if the acquiring person or group of persons did not previously hold twenty-five percent (25%) or more of the voting ownership interest of the Retail or Mobile licensee prior to the change in control; or

2. Controlling in any manner the election of a majority of the directors or managers of a Retail or Mobile licensee, if the controlling person or group of persons did not previously exercise such control; and

(B) Ownership interest – An interest which shall include but not be limited to any corporation stock, partnership interest, limited liability company interest, or similar ownership interest conveying equity or voting rights.

(3) No licensee may pledge, hypothecate, or transfer in any way any license issued by the commission or any interest in a license issued by the commission. Upon any purported pledge, hypothecation, or transfer of such a license or interest in such a license, the license shall automatically become null and void and of no legal effect.

(4) Ownership interest in a licensee that is not a publicly held entity –

(A) May not be pledged or hypothecated in any way to, or otherwise be subject to any type of security interest held by, any entity or person other than a financial institution without

prior approval of the commission; and

(B) May not be pledged or hypothecated in any way, or otherwise subject to any type of security interest except in compliance with this rule.

(5) Any not publicly held licensee shall notify the commission of its intention to consummate any issuance of ownership interest in the licensee that will equal ten percent (10%) or greater of the ownership interest in the licensee after the issuance is complete. The notice shall occur at least sixty (60) calendar days prior to such consummation. The commission may disapprove the transaction or require the transaction to be delayed pending further investigation.

(6) Any publicly held Retail, Mobile, or SW Supplier licensee shall notify the commission of its intention to consummate any issuance of ownership interest in the licensee that will equal ten percent (10%) or greater of the ownership interest in the licensee after the issuance is complete. The notice shall occur at least fifteen (15) calendar days prior to such consummation. The commission may reopen the licensing investigation of the applicable licensee prior to or following the consummation date to consider the effect of the transaction on the licensee's suitability.

(7) Any entity required to report a transaction prior to consummation or obtain approval of a transaction under this rule shall submit the following as part of the required notice and before any approval shall be considered:

(A) An executed copy of the SW Corporate Securities and Finance Transaction Information Sheet; and

(B) An executed copy of the SW Corporate Securities and Finance Compliance Affidavit from each other party to the transaction or a representative authorized to act on behalf of such parties.

(8) Not later than ten (10) calendar days after the consummation of any of the following transactions, any licensee shall report such consummation to the commission:

(A) Any transfer or issuance of ownership interest in a publicly held licensee, if such transfer or issuance has resulted in an entity or group of entities acting in concert directly owning a total amount of ownership interest equaling ten percent (10%) or greater of the ownership interest in the licensee; and

(B) Any pledge or hypothecation of, or grant of a security interest in, ten percent (10%) or more of the ownership interest in a publicly held licensee, provided that if any part of such ownership interest is transferred voluntarily or involuntarily pursuant to such a pledge, hypothecation, or security interest, separate notice to the commission is required not later than ten (10) calendar days after the consummation of such transfer.

(9) Any licensee shall notify the commission of its intention or the intention of any entity affiliated with it to consummate any transaction that involves or relates to the licensee and is ten percent (10%) or greater of total assets, provided that such notice shall be given no later than ten (10) calendar days following such consummation.

(10) Any action or decision to refrain from acting by the commission under this rule shall not indicate or suggest that the commission has considered or passed in any way on the marketability of any securities of a licensee, or any other matter, other than the suitability of the pertinent licensee company for licensure by the commission under Missouri law.

(11) All notices required under this rule shall be addressed to the executive director of the commission and shall clearly contain the following language in bold type and all capital letters on the top of the first page: "REQUIRED SW CORPORATE SECURITIES AND FINANCE NOTICE." The commission may waive or reduce any notice period required under this rule if such waiver or reduction is determined by the commission to be in the best interest of the public. Any notice or report required under this rule shall be in addition to any required application update or submission.

(12) Violations of this rule, including but not limited to consummation of transactions prohibited by the commission hereunder, may be grounds for discipline against any licensee or grounds for denial of any application. This rule shall not be construed as making any asset inalienable in nature but shall provide a regulatory penalty enforcement mechanism for certain types of asset transfers as set forth herein.

(13) Upon any voluntary material change in ownership or control, the licensee that is the subject of the material change in ownership or control shall automatically become null and void and of no legal effect, unless the commission has approved such material change in ownership or control by vote of the commissioners prior to its consummation. The commission may grant a petition to approve a material change in ownership or control if the petitioner proves by clear and convincing evidence that –

- (A) The transfer is in the best interest of the state of Missouri;
- (B) The transfer is not injurious to the public health, safety, morals, good order, or general welfare of the people of the state of Missouri, and that it would not discredit or tend to discredit the Missouri sports wagering industry or the state of Missouri;
- (C) It would have no material negative competitive impact;
- (D) It would have no potential to affect the licensee's suitability to hold a Retail or Mobile license; and
- (E) It would not potentially result in any significant negative changes in the financial condition of the licensee.

(14) Upon an involuntary material change in ownership or control (including but not limited to open market acquisitions of publicly traded stock not facilitated by a licensee, death, appointment of a guardian by a court of competent jurisdiction, or involuntary bankruptcy) the executive director with the concurrence of the chairman may, within ten (10) calendar days, extend the license held by the licensee that is the subject of the material change in ownership or control until the next commission meeting, at which time the commission may extend the license until such time as a material change in ownership or control is approved. In the event the executive director does not extend the license within ten (10) calendar days of the involuntary material change in ownership or control, or the commission does not extend it at its next meeting, the license shall become null and void.
